NOTE
Camp Melkote,

dated 10th April

1949

The Municipal Councillors of Melkote, in French Rocks taluk, represented to me that they want town improvement grant for carrying out certain improvement works. I went round the town yesterday and found that there is a lot to be done by way of improvement of roads, sanitation etc. The Municipality does not seem to be in a position to finance either. It is highly desirable that this famous town which attracts large numbers of devotees from outside, should be improved and maintained in a very good condition. I have therefore promised the Municipal Council that I would recommend to the Hon'ble Minister a grant of Rs 5,000/- next year for town improvement. This amount has to be set apart while distributing the grant under "Town improvement" for next year, i.e. 1949-50. A similar grant may be arranged to be sanctioned every year also.

I commend this suggestion to the Hon'ble Minister for Local-Self Government for kind compliance.
